ABOUT ME

My name is JESNOW BIJU

I am a Video EditorGraphic Designer and as a visual storyteller, blending the artistry of graphic design with the dynamic power of video editing to create narratives that resonate and connect. Passionate about bringing ideas to life.

I craft everything from memorable designs to engaging video content with a keen eye for detail and a commitment to creativity. My goal is to produce work that is not just seen, but felt. If you're looking for a creative partner for your next project, I'd love to hear from you.
